

Cake Donut Mix

Bake or fry amazing cake donuts that have a delicious dense texture.

- + Easy to use
- + Freeze thaw stable

Item No: FS10 CK-Donut | **Weight:** 10kg bag

Pancake Mix

A mix designed to produce fluffy golden pancakes, with a natural vanilla back note; they are like traditional pancakes in taste, texture and appearance.

- + Light and airy
- + Also make crepes

Item No: FS Pancake | **Weight:** 10kg bag

Crispy Batter Mix

For fish 'n chip shops, adding a gluten-free menu offering will generate incremental sales for the business. The Well and Good batter mix makes getting started easy.

- + Easily add your favourite seasonings

Item No: FS Crispy Batter | **Weight:** 10kg bag

Vegan Plant Patty Mix

Combine this mix with water and oil to make plant-based meat ideal for burgers, sausage rolls and meatballs. Very lightly seasoned, to allow the user to create their own flavors.

- + Freeze-thaw stable
- + One 750g bag makes 22 burger patties.

Item No: FS15 VPP-VMeat | **Weight:** 4x750g bags

Vegan Cheese Mix

Make hard cheese that performs like mozzarella and has a cheddar-like flavor. Perfect for grating or slicing.

- + Also makes soft cheese for recipes like lasagna
- + Excellent for burgers and pizza

Item No: FSPC-Cheese | **Weight:** 4x750g bags

Vegan Whipping Cream Mix

Make plant-based whipping cream with premium taste and texture. Reduce waste by making up cream as required - once made up, the cream has an impressive 8 day ambient shelf life.

- + Holds its shape after piping
- + Use to make chocolate mousse
- + Lasts 1 month refrigerated

Item No: WPB-Cream | **Weight:** 6x250g bags

Instant Custard Mix

Well and Good's Instant Custard Mix is extremely easy to make. Perfect for making pouring custard or a thicker custard slice filling. Add brandy or chocolate for tasty flavour variations.

- + Instant, no-cook powder. Just whip and serve

Item No: FS Instant Custard Powder | **Weight:** 10kg bag
